

# GLaWAC ARTWORK PROJECT BRIEF

## Office Honour Boards

### 1. Project overview:

After 17 years our honours board is full!!

Instead of adding to the current board, we have decided a redesign is in order.

GLaWAC is seeking designs from Gunaikurnai artists for our honour boards to display in our Kalimna office.

We are looking for two boards – one to honour our Elders Council Members, and the other is to acknowledge our Board of Directors.

We encourage artists to draw on themes of Culture, Community, Country, Strength, Elders and Respect.

**We encourage artists to submit sketches and ideas proposing different mediums e.g. carved, wood burning, metal work, hand-painted, digitally printed etc.**
